Electric Light Pays A Sure Return

WHETHER you wish to sell or rent your home, see that it is wired for Electricity. Unwired property lacks the conveniences necessary to make it desirable, either for sales or rental purposes.

Buyers and Tenants Demand Electricity

Unless your home is wired it is not modern, and you may be compelled to sell or rent at a sacrifice. The expenditure of a small sum for wiring will place your building in the readily marketable class and secure for you a decidedly profitable return on your investment.

We will gladly submit estimates on your wiring job. Simply telephone P. B. X. 14.
